CATEGORY DETAILS

In this dynamic solo round, you will tackle spontaneous business scenarios, showcasing your quick thinking, adaptability, and persuasive communication skills. Each of you will be assigned a problem, at random, on the day of the event. You will then have 1 minute to prepare and 2 minutes to present an elevator pitch to the judges.

- You will be judged on your presentation skills, market potential, and originality.
- You will not be able to converse with any other people during the one minute of preparation.
- Exceeding the presentation time limit will result in point deductions.
- Any use of electronic devices will result in immediate disqualification.
